Working group PCC activities & EU legislation

Role	Name	Period	Aim / description
Chair	Lotte Høgberg	2023-current	Main topics are Poisons Centre activities and developments in product notification. Colleagues from European PCs who are active in several WG of the EU Commission are members of this WG. The WG has set up a questionnaire, to gain insight in the use of the CPNP by PCs and on how to improve the usefulness for PCs. The WG is an important platform for discussion, information and coordination of the various activities within the group and with the EAPCCT Board.

Working group Education & Accreditation

Role	Name	Period	Aim / description
Chair	Maren Hermanns-Clausen	2019-current	Main Aim of the WG is to evaluate a possible role of the EAPCCT in continuing education and/or in offering an additional qualification such as a "clinical toxicologist EAPCCT" and in working up a system of accreditation within EAPCCT. The directory of European PCs was updated, as well as the self-assessment checklist for minimum and optimum standards of PCs.
