April 2023

Dear Colleagues, Cari amici,

I'm writing to you as Treasurer, and on behalf of both the EAPCCT Board and Executive, also to remind you that the membership subscription for 2023 is due. Thank you if you have already paid your membership. The fees for members have remained the same as per previous years.

The payment system on the EAPCCT website (www.eapcct.org) is the most convenient method of membership renewal. The EAPCCT General Secretary (gs@eapcct.org), our dear Dr. Laura Hondebrink can help, if you have forgotten your login / password details (waiting for the new website in which this procedure will be automatic). Please be patient for a short while!!

Please also check that your personal details on the website are correct so that mailings by email and post go to the correct addresses. If you are opting to receive a paper copy of the journal and wish it to be mailed to an address other than the main one on the system, please ensure that the appropriate additional fields are completed. If you have any queries please do not hesitate to contact the Treasurer or General Secretary by email and we will try to help you out.

If on-line payment is inconvenient for you, please fill in the membership fee form available for download from the membership pages of the website, indicating your preferred method of payment, and send this form to the Treasurer. If paying by card, please ensure the details on the form are correct and legible and ensure that the expiry date and validation codes are on the form. Be assured that these details are kept in strict confidence. To protect your credit card details I recommend you to return the form to the Treasurer by post or encrypted email.

If you pay by bank transfer please follow the guidance on the form, again ensuring that your name is provided as a reference on the bank statements. This is very important if your fee is paid by your institution, as it can sometimes be difficult to determine for whom payments were made.
